GYMNASTS

CHEERLEADING

Our Currumbin Cheetahs and Currumbin Cougars completed in New Zealand in November. The junior Cheetahs came home with two second place trophies while the open Cougars placed first.

We were very proud of all our athletes once again bringing home the trophies from an international competition.

Positions are filling up fast in both teams. Gymnasts, cheerleaders and dancers both male and female are invited to try out. Jessie Baxter and Stacey Bowman will once again train the junior team. We welcome Jess Coleman from the Brisbane Tigers (highest level cheerleading team in Australia) who will be training the open team.
